

NEW FCS CALENDAR!

WHAT'S NEW

We recently made the switch to Google Calendar to better serve you and to make it easy to stay up-to-date in our mobile world. The calendar will always be available on the school's website so you can access it anytime and anywhere you have internet access. That hasn't changed. But there are some exciting new features!

NOW YOU CAN...

Sync the FCS calendar with your personal calendar so it is always up-to-date on your desktop computer, tablet, and mobile phone.

View all events or only the events in which your child participates.

Receive text or email alerts when events are added, modified, or cancelled.

Print weekly or monthly views – all events or only the events in which your child participates

Find an away-game location easily with Google Maps links.
