Find your personal keyword at the top of your fundraising page.

Text/email 30+ friends and family to ask for support. Your text should be personal, not a "form letter." See wording sample below.

Hey, Bill! Do you have a moment? I have a favor to ask.

Sure! What's up?

Cathy, the kids and I are participating in a special fundraiser for Friendship Christian School. Instead of selling candy bars, we're doing a give-back event to help feed and clothe people in our city and state. Our family is trying to raise \$400 through friends and family. We have already sponsored ourselves for \$100. We'd love to have you be part of our sponsor team if you are able. What do you think?

Sounds great! I'd love to help. What do I need to do?

Here is a link to my mobile donation page: <http://igfn.us/vf/FCS>. You can also give online or mail a check. Thanks, Bill! This really helps!

Track recipients of your texts/emails on the attached tracking sheet. Follow-up with people if you don't hear from them.
